

Fire Operations in the Wildland Urban Interface For Fire Safe Councils

Learn what firefighters learn to protect your home and your community.

September 14, 2019 8:00am — 4:00pm

Time: Registration, coffee and refreshments at 7:30am; the course will start promptly at 8:00am

Location: The Ramona Community Center, 434 Aqua Lane, Ramona, CA 92065

The course is free of charge to local residents, community organizations and representatives of community Fire Safe Councils.

Lunch will be provided. Registration required.

Conducted by: Thomas Shoots CAL FIRE / San Diego County Fire

About the training:

- A one day in-depth course to learn the principles used by firefighters in suppressing wildland fire and protecting structures in the Wildland Urban Interface.
- Participants will learn about fire behavior prediction. They will apply this knowledge to the community's topography, fuels, weather, and the community's Fire Safe condition including the construction of homes.
- The training will include a field trip to selected homes to do a site assessment on lessons learned.
- The day will include discussion about survival tips based upon evacuation procedures.
- Please register at: www.firesafesdcounty.org
- For more information or help with registration, contact Britney Munoz at the Fire Safe Council of San Diego County at 619-562-0096.

In partnership with:

**Ramona
West End**

This workshop is hosted by the Ramona West End FSC & administered by the Resource Conservation District of Greater San Diego County, in partnership with the Fire Safe Council of San Diego County.
