

# INFRAGARD SAN DIEGO EARTHQUAKE SYMPOSIUM

## OCTOBER 9, 2019

7:00 a.m. – 4:00 p.m.

Qualcomm's Irwin Jacobs Hall, San Diego, CA

### OVERVIEW:

InfraGard San Diego's first-ever Earthquake Symposium has assembled leading subject matter experts and regional leaders to facilitate a cross-sector discussion of the San Diego region's earthquake risk, potential critical infrastructure sector impacts, and preparedness planning. The recently documented potential for an interaction along the Newport-Inglewood/Rose Canyon fault zone suggests that offshore earthquake risk is greater than previously recognized. During a full day of learning, Symposium attendees will gain an understanding of the potential risk to San Diego's urban core and benefit from sessions on vulnerability assessments, early warning, situational awareness and social media, immediate response operations, survivor management, and impacts on critical infrastructure and local businesses. Given the recent spike in Southern California earthquake activity, this Symposium is imperative for all those responsible for public safety, business continuity planning and community welfare.

### COST:

**\$15** for InfraGard members and current law enforcement, fire and military (with verifiable government e-mail address). / **\$25** for non-members

Ticket price covers the cost of lunch.
