

# Last Chance Survival Simulation Workshop

## Saturday, November 20th, 9am-4pm

**Time:** Registration begins at **8:30am**. Course begins at 9:00am and ends roughly at 4pm.

**Location:** Station 37 (Deerhorn Valley) - 2383 Honey Springs Rd., Jamul CA 91935

Breakfast and lunch will be provided.

**[Register here by visiting our events page \(firesafesdcounty.org/events\)](https://firesafesdcounty.org/events)**

**This course is free to Fire Safe Councils and community members.**

For more information, or support signing up, contact Morgan Graves at the Fire Safe Council of San Diego County—[morgan.graves@rcdsandiego.org](mailto:morgan.graves@rcdsandiego.org).

### About the training:

A course for community members designed to address wildfire entrapments and human survival in the wildland fire environment.

Some topics covered include recognition primed decision-making, open-source fire intelligence, contingency planning, and other practices that may enhance the likelihood of human survivability in a fire entrapment scenario.

**\*Please note, this course will involve a short field exercise that simulates an evacuation scenario.**

In partnership with:

This workshop is hosted by the Outer Jamul FSC & administered by the Resource Conservation District of Greater San Diego County, in partnership with the Fire Safe Council of San Diego County. Funding is provided by the San Diego River Conservancy. Special recognition is given to the workshops originators. In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discrimination on the basis of race, color, national origin, sex, age, or disability.
