**Saturday, April 30th, 9:00am-1:00pm**

**Time:** Registration, refreshments, and networking at 8:30 am

The course will start promptly at 9:00 am

**Location: Warner Springs Community Resource Center**

**30950 Hwy 79, Warner Springs, CA 92086**

*The course is free to local residents, representatives of community Fire Safe Councils, and CERT members. Refreshments will be provided. Registration required.*

**Instructed by: PIO, Thomas Shoots, San Diego County Fire/CALFIRE**

## **About the training:**

- A one-day, in-depth course to learn the principles used by firefighters in suppressing wildland fire and protecting structures in the Wildland Urban Interface.
- Participants will learn about fire behavior prediction. They will apply this knowledge to the community's unique topography, fuels, weather, and fire safety challenges, including how to best protect their homes from wildfire.
- The day will include discussion about survival tips based upon evacuation procedures.
- After the workshop, there will be a fireman's barbecue, live music, and a silent auction.
- Please register at: <https://ResourceConservationDistrict.formstack.com/forms/warnerspringswui>
- For more information or help with registration, contact Morgan Graves at the Fire Safe Council of San Diego County at 619-562-0096 or [morgan.graves@rcdsandiego.org](mailto:morgan.graves@rcdsandiego.org).
