

2022 Prepare in a Year Campaign

October Pop-up Events

9:00am to 10:30am at the locations listed below

Welcome to all of you joining us this month! Our **2022 Prepare in a Year Campaign** will help you build your 72-hour Go-bag on a budget. San Diego County Fire's Community Emergency Response Team volunteers (SDCF CERT) will be offering FREE training and activities throughout the year which are designed to help you and your family with overall emergency preparedness. Remember to **sign up for the Monthly Tips emails** and learn simple emergency preparedness suggestions under the **Ideas to Consider** section. To sign up for the Monthly Tips, please contact Teresa Greenhalgh, San Diego County Fire CERT Coordinator at Teresa.Greenhalgh@sdcounty.ca.gov

Emergency Radio – At the October Pop-up Events, SDCF CERT volunteers will be handing out emergency preparedness information and a limited supply of emergency AM/FM/NOAA radios for your family's 72-Hour Go-Bag.

Notes: The emergency radios will be handed out at each location while supplies last. We ask that you **please only take one** radio per person/family residing in the rural communities served by the SDCF CERT Program. CERT members are not eligible for these giveaways.
