

WILDLAND URBAN INTERFACE WORKSHOP

SATURDAY, APRIL 27TH, 8:00AM-12:00PM
14866 LYONS VALLEY ROAD, JAMUL

- A one-day, in-depth course to learn the principles used by firefighters in suppressing wildland fire and protecting structures in the Wildland Urban Interface.
- Participants will learn about fire behavior prediction. They will apply this knowledge to the community's unique topography, fuels, weather, and fire safety challenges, including how to best protect their homes from wildfire during a field exercise.
- The day will include discussion about survival tips based upon evacuation procedures.
- Refreshments and lunch provided. This workshop is free of charge to community members!
