Preparedness Training

Hosted by:

San Diego County Fire CERT

The 4-Phases of a Disaster: The Resident's Role

The 4-Phases of a Disaster:

- 1) Preparedness: (pets and people).
- 2) Mitigation: (fire prevention and home hardening).
- 3) Response: (evacuation planning and the new GenasysEvac Map).
- 4) Recovery: (local assistance centers and the recovery process).

This presentation is intended to help residents become disaster confident and resilient. This training will prepare residents with the knowledge to help themselves, their families, friends, and neighbors prepare for and navigate through the four (4) phases of a disaster. Each attendee will receive a personal disaster plan book to start their preparedness journey.
