Register now for a California Forest Stewardship Workshop: San Diego and Surrounding Counties

Online (Tuesdays) beginning January 27, 2026 – March 24,
2026, and
in-person Saturday, February 28th (location in San Diego
County TBD)

*Participation in the in-person field day is not required. All are welcome no matter where
your forestland is located.

Join the workshop to understand and protect your forests by developing a Forest Management Plan. Topics include:

- Forest management objectives and planning
- Basic silviculture
- Forest and fire ecology
- Fuels reduction and forest resource marketing
- Mapping and inventory skills
- Project development & permitting
- Getting professional help and cost-share opportunities

Participants will utilize online resources on their own time to complete learning modules and short activities. Zoom meetings with all participants and presenters will take place once a week on Tuesdays, 6-7:30pm. The in-person field day will cover silviculture, forest inventory and mapping activities. Participants who complete the workshop will be **eligible for a free site visit** with a California Registered Professional Forester.

Registration for the workshop is \$60. Sign up now at:

<https://surveys.ucanr.edu/survey.cfm?surveynumber=28675>.

Scholarship funding for registration fee is available.

For questions, contact Kim Ingram, kcingram@ucanr.edu.

The Forest Stewardship Education Initiative is a CAL FIRE funded contract (8CA04547), awarded July 1, 2019, through June 30, 2027, to Susie Kocher, RPF#2874, University of California Cooperative Extension, to help landowners develop forest management plans.
