

Fire Extinguisher Training & Completing Personal Disaster Plans

San Diego County Fire CERT

SAN DIEGO
County Library
Create Your Own Story

Co-hosted by County Libraries & SDCF CERT

Participants will learn how to use a small household fire extinguisher using a simulated fire trainer. The training will include the various types of fire extinguishers, and the “Dos and Don’ts” when deciding whether to attempt to use a household fire extinguisher or not.

➡ Door prizes for those completing the training (limited availability)
