

Fire Extinguisher Training & Completing Personal Disaster Plans

San Diego County Fire CERT

SAN DIEGO
County Library

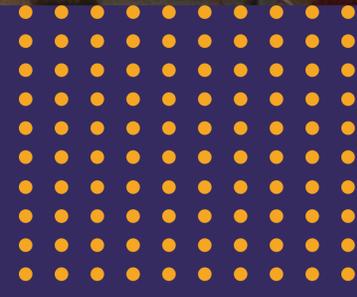

Create Your Own Story

Co-hosted by County Libraries & SDCF CERT

Participants will learn how to use a small household fire extinguisher using a simulated fire trainer. The training will cover the various classes of fires and types of fire extinguishers. Discussion will include the “Dos and Don’ts” when deciding whether to attempt to use a household fire extinguisher or not.

➔ Door prizes for those completing the training (limited availability)
