

WILDLAND URBAN INTERFACE WORKSHOP

**SATURDAY, JUNE 20TH, 9:00AM-12:00PM
RAMONA COMMUNITY CENTER
434 AQUA LANE, RAMONA, CA 92065**

- A half-day, in-depth course to learn the principles used by firefighters in suppressing wildland fire and protecting structures in the Wildland Urban Interface.
- Participants will learn about fire behavior prediction. They will apply this knowledge to the community's unique topography, fuels, weather, and fire safety challenges, including how to best protect their homes from wildfire.
- Learn best practices for creating defensible space, hardening your home, and creating an evacuation plan.
- Refreshments will be provided. This workshop is free of charge to community members!

**SPACE IS LIMITED, RSVP TODAY!
