

INTEL TO ACTION WORKSHOP

Join our free, virtual Wildfire Intel and Preparedness Series this summer! Learn through case studies and planning models and gain the tools to make decisions during an emergency.

July 14th, 6-7pm: Tales of Survival

Future sessions TBD based on instructor availability pending wildfire events.

RSVP at firesafesdcounty.org/events to receive the workshop Zoom link!

This workshop is hosted by the Fire Safe Council of San Diego County in partnership with the Resource Conservation District of Greater San Diego County, and instructed by Rex Hambly with the United States Wildland Fire Service. Funding for this project was provided by a grant from the California Department of Forestry & Fire Protection as a part of the California Climate Investments Program, through the California Fire Safe Council's County Coordinator Grant Program.
